ITEM 6
OLD BUSINESS

A. Cool Cities (Anne W. and Carla)- Anne K. will ask Chip about
how the energy audit will work- what the process will be. We would
like to be involved in the process. Anne K. will forward the
following resolution to the Planning Board-

We Recommend the formation of a task force to

1. Support the energy audit.
2. Assist the Council in forming policy.
3. Make recommendations of implementations.

B. Dark Skies we stand now -Mary Ann reports - Council approved
ordinance with sunset clause. Public hearing tomorrow night.

C. August speaker Aug.11. Carla asked Mike Madigan and a rep.
from energy committee from Belfast. We will offer each \$100.00.
Anne K. will do a post card notice using the comp.plan and summit
mailing lists. Carla will give Anne K. a bio. for a press release.

Anne K. will try to get it televised. We will meet at 6:00 before the
talk to discuss waste.

D. New member search. No news.

E. Follow up on culvert presentation from last meeting. Anne K. will talk to Chip about where this is at. We want to support this effort.

F. Follow up on composters- Enoch - We'd like to know the efficiency of the composters. Enoch will call 10-15 people for feed back.. If there's interest Enoch will invite Hancock County Extension Representative to give an informational talk.

M.A. suggests we read Garbage Land Elizabeth Royte. We will ask Chip to come to our September meeting to talk to us about waste.

Discussion- perhaps our next summit could be focused on waste recycling
